INVITATION

BUCHAREST, April 20, 2015

Dear Mr. President,

Romanian Wrestling Federation would kindly like to invite the athletes of your federation to compete of the **2015 World Beach Wrestling Championships**, cadet, junior and senior that will be organize in Mangalia (Romania) from 12th to 14th June 2015.

We really believe that beach wrestling, a very dynamic sport, who growths year by year, and has a lot of fans around the world, wich will attract many spectators and athletes also for this competition, that will be hosting by a very nice city, on the Black Sea.

Mangalia tourist port Marina is located on the western shore of the Black Sea, in an area of commercial maritime traffic and constant touring. The port is a refreshment of maritime history of the area, Mangalia having over 1500 years of navigation.

Historical tourism is represented by the legacy of historical and archaeological artifacts who complete the classic offer of traditional tourism , being composed of great attractions for the whole coast. Among them we can mention:

Museum of archeology "Callatis" - features a collection of archeology of the great value, with parts which are discovered in the area around old castle Callatis: ancient columns , sarcophagi, fragments of architectural designs, sculptures, trinkets, inscriptions, ceramic, domestic and agricultural tools, statuettes, etc.

Tombstone with papyrus - discovered in the 1959, *The Papyrus*, near skeleton, it could not be recovered, crumbling in contact with air. The grave (dated century IV i.e. n.) is made up of blocks of stone, who formed a sort of box, surrounded by a circle of stone, with a diameter of 14m.

The Heroes' Monument - situated in the center of the city, was born from a need of a symbol which could represent Mangalia due his millennial history and it's role from ancient times.

Mosque "Esma Han Sultan " - a monument in the Moorish architecture style dating from the early XVI century, surrounded by a Muslim graveyard, among tombstones can be identified a series of architectural fragments from the edifices of ancient Callatis.

The Princiar Tombstone - mound Documaci - situated in the vicinity of town, the funeral complex is made up of a grave of large-scale oriented east-west and a rectangular-shaped construction whose functionality could not be established yet.

Please find attached all information: registration forms and competition program. If you have any questions please do not hesitate to contact us.

We are waiting for you in Mangalia for an authentic romanian experience.
